- WP 2.2. Boot Camp for International Cooperation in Entrepreneurship for Sustainable development

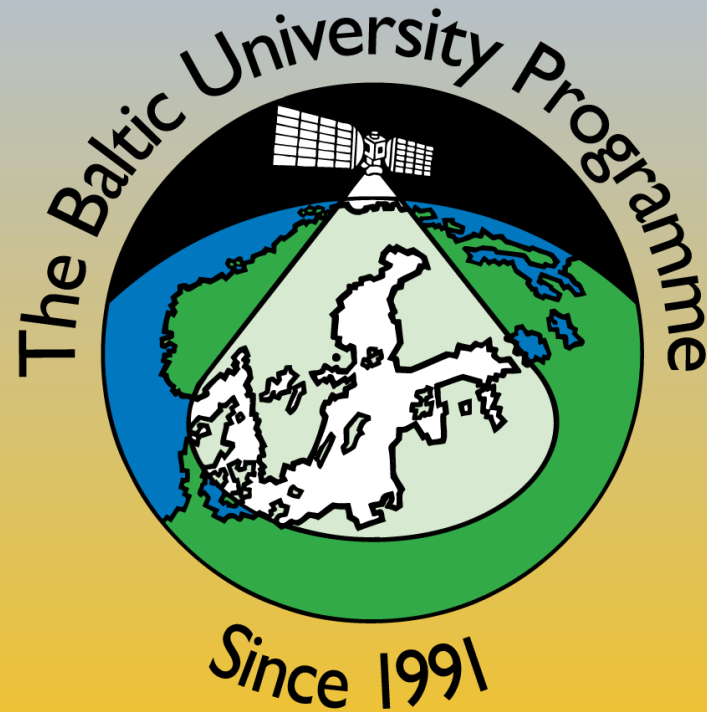

Work Package 3: Strengthening research cooperation

- WP 3.1 Initial Workshop
- WP 3.2. Internship of Ukrainian researchers at Swedish or/ and Polish Universities
- WP 3.3. Workshop “Research Cooperation Against Consequences of the War”

Work Package 4. Students’ Conference “Challenges of Sustainable Development in the Baltic Sea Region because of the war in Ukraine”

The Baltic University Programme (BUP)

www.balticuniv.uu.se

One of the largest university cooperation's in the world, cooperating for education and research in Sustainable Development and Democracy.

- 94 participating universities
- 10 National Centre's with Centre Directors
- 3 Associated Secretariats
- 1 Coordinating Secretariat
- 1 International Board

Background

- Started in 1991
- Created one of the first connections across the former Cold War divide
- Early pioneers of sustainability in a Baltic Sea Region context

What the BUP does

Education

Students, PhD students and university teachers

Research

Support regional research cooperation

Conferences

University teachers, students, researchers, Rectors' conference every third year

Projects

Locally at universities and regionally in cooperation with actors like municipalities, authorities, business

BUP events

Annual events

- Student Conference
- BUP Symposium
- Master Thesis Training
- PhD students training
- ESD Teachers course

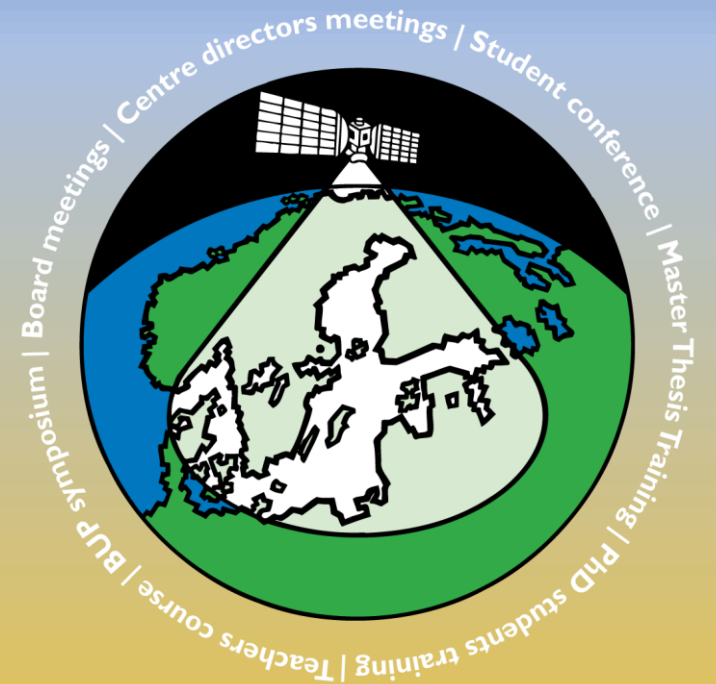

Specific events that happen less often or that are part of other initiatives or projects

Summer school

Sail course

Scientific conference

Project meetings

BUP Master Thesis Training

Master's students get the opportunity to meet and discuss scientific problems regarding their thesis with a focus on sustainability in an interdisciplinary, international, multicultural, and regional context.

Each student is also given individual feedback on their master thesis from a supervisor.

This year it was in March , in Uppsala

BUP Student Conference

Lectures, workshops and fieldtrips

60-80 students from BUP participating universities

Student parliament that chose new student representatives on the BUP board

This year it is planned in May in Kaunas, Lithuania

BUP PhD Students Training

Interdisciplinary - Multicultural - International

The program includes lectures, workshops, students' presentations of PhD work, individual consultancies of PhD work with international experts.

Every year this is organized in November, in Lodz, Poland

Student Ambassadors

Contact persons between universities and its students and the BUP Coordinating Secretariat as well as the National Centre.

Different focuses to work with: social media, research communication, and event planning. Opportunity to work closer with students together in an international context to promote and develop the BUP.

It is possible to apply twice a year to be a student ambassador for BUP

Summer School

BUP Science and Sail

July 2023
Klaipeda, Lithuania

<https://www.balticuniv.uu.se/activities/science-and-sail-2023/>

I wish you success and victory in the project!

I wish PEACE and VICTORY for Ukraine!
