EUROPEAN
UNIVERSITY

- ✓ Joint European Campus (over 100,000 students, 8500 staff)
- ✓ Many different personalized courses and programs
- ✓ Language courses
- ✓ Joint European projects
- ✓ 50 associated partners (business entities, NGOs, public bodies)
- ✓ Joint database of internships and job opportunities for students (EUNICE International Internships Portal)
- ✓ Access to a common educational platform and research infrastructure (Virtual Lab, Eunice Exchange Platform)
- ✓ Different mobility opportunities (virtual, blended, physical)
- ✓ Joint scientific, cultural and sports events for students and employees (EUNICE WEEK & DAYS)
- ✓ **EUNICE is multilingual, multicultural and person-centered**

We build new University. Be a part of this change!

- ✓ PUT is a leader of an European University and is one of leading technical universities in Poland
- ✓ Each year we host scientists from Ukraine, holders of Iwan Wyhowski Fellowship- jointly funded programme by 20 Polish universities and research units
- ✓ We take part in Erasmus+ (Socrates Erasmus) since 1999
- ✓ We run mobility projects of more than 1 million EURO
- ✓ We host around 300 incoming students per year
- ✓ We run **Erasmus+ International Credit Mobility**-KA171 with third countries associated to the Programme (Ukraine)
- ✓ We have many active agreements and strong cooperation with Ukrainian universities

But...

But...

- ✓ We are not getting us much money as we would like to for exchange with Ukraine (very limited budget)
- ✓ “The Only Constant in Life Is Change”- Heraclitus
- ✓ In this field the notion of Lifelong Learning seems to be crucial, there is always something new to learn, best practices to follow etc.

That’s why...

Networking is so important!

Events like this one are so important!

- ✓ You can learn something new
- ✓ It gives you this supportive feeling of belonging to a community

Standing with Ukraine!

- sharing of best practices
- developing a common position on certain issues
- joint events
- regular thematic meetings

We stand with Ukraine

Universities associated in the IROs Forum network help students, doctoral students and employees of Partner Universities from Ukraine. The IROs Forum academic community is also actively involved in humanitarian aid activities! #StandWithUkraine
