PROJECT PROPOSALS CONTEST

EVALUATION CRITERIA OF THE CONTEST TASK

30.03.2023

RESCUU

International jury evaluates the project proposals according to the following criteria - excellence, impact, and quality and efficiency of implementation.

1. Excellence:

- compliance of the project proposal with the terms of the contest;
- clarity and relevance of the project's goals and tasks;
- compliance of the project's actions with the needs of the target groups;
- validity of the concept, and credibility of the proposed methodology.

2. Impact:

- importance and feasibility of the project's results;
- presence and validity of indicators for measuring short-term results (deliverables);
- use of effective methods of disseminating the project results among the target audience of the project;
- presence and sustainability of long-term results.

3. Quality and efficiency of implementation

- quality and effectiveness of the work plan, including extent to which the resources assigned to project's actions correspond to their objectives and deliverables;
- appropriateness of project management structures and procedures, including risk management;
- the quality of the project team.

Experts score each award criterion on a scale from 0 to 5 (half point scores may be given):

- 0 – Proposal fails to address the criterion or cannot be assessed due to missing or incomplete information.
- 1 – Poor. The criterion is inadequately addressed or there are serious inherent weaknesses.
- 2 – Fair. The proposal broadly addresses the criterion, but there are significant weaknesses.
- 3 – Good. The proposal addresses the criterion well, but a number of shortcomings are present.
- 4 – Very good. The proposal addresses the criterion very well, but a small number of shortcomings are present.
- 5 – Excellent. The proposal successfully addresses all relevant aspects of the criterion. Any shortcomings are minor.
